Please be certain that the VMCA office has a copy of your apartment keys so that your apartment can be accessed quickly in case of an emergency.

If a key is not available, the Scott Township Police policy is to take the door off if the officers feel that someone is at risk. This is similar to VMCA policy in that VMCA staff will drill the lock if they feel someone is at risk. Scott Township police have jurisdiction if they are on sight.

The quickest and most expeditious solution is the use of a key. Please provide all keys to your apartment. YOUR LIFE MAY DEPEND ON IT
